6. **Joint Meeting with the Planning Board**

- a. **Discussion and possible vote to appoint 2 members to the Planning Board to fill vacancies until the next regular election.**

Select Board Chair, Peter Meier, said that originally three people applied for the Planning Board vacancies, and one has withdrawn their letter of interest. The two people who are remaining are Jim Robinson, and William Meier, who was not present due to a work obligation.

Jim Robinson said that he was a former City Councilor and he has a good idea of how Town boards work with each other to grow and to keep everybody on the same page. He said he has a good idea on the overall management planning initiatives for Bourne. He said that he is a retired Major from the National Guard, and he worked on many projects while in the service from start to finish by doing the planning and the carrying out of the projects. He talked about some of the projects that he had worked on while in the service.

Chair Meier spoke on behalf of William Meier, his father, the other candidate. Chair Meier said that Mr. Meier has been serving as an alternate with the planning Board for over 3 years. He gave a summary of what Mr. Meier has done.

Voted: Christopher Farrell moved, and Elizabeth Brown seconded to put both candidate names into nomination.

Select Board member Judith Froman asked if the Planning Board was prepared to address any of the issues that the Planning Board has had which has resulted in turnover within the Board. Planning Board Chair Doucette said that the Planning Board is always willing to listen and take in concerns for what is best for the Town.

Select Board member Mary Jane Mastrangelo said that one of the issues that was cited in the recent letters from the people that resigned from the Planning Board was that it was difficult for them to get timely access to the materials and to be able to see all the plans in time for voting at the meetings. She said the newspaper article said it was because the Town of Bourne couldn't afford to mail these items to the Planning Board. Ms. Mastrangelo asked Mr. Robinson that if those materials are not available to him as a member, if he would be comfortable going to the Planning Board office to review plans in the office to make sure that he is prepared.

Mr. Robinson responded to Ms. Mastrangelo's question by saying that he has no issues with that and that he likes to prepare before a meeting. He said he has no problem driving to Town Hall, and he would have no problem asking fellow members where he can get the information.

Ms. Mastrangelo then asked if he was sitting on the Planning Board and was at a hearing and he felt that he had not received the information before the meeting, how would he feel about saying that he was not provided the information in a timely fashion and would he say he would like to postpone his decision or would he just go ahead with the decision.

Mr. Robinson responded by saying that he would probably feel that he did not do his due diligence, and that he will have the responsibility of doing his own homework. He said it is not fair to an outside agency coming into the Town for a meeting if they are not prepared.

Ms. Mastrangelo wanted clarity of what positions these two candidates were filling at this meeting and was told that they were both to fill temporary vacancies on the Planning Board until the next regular election, which is in May. Ms. Mastrangelo asked if on the next ballot there three openings for 3-year terms, one opening for a 2-year unexpired term and one opening for a 1-year unexpired term, and Planning Board Chair Doucette said yes.

Vote: Chair Doucette – yes, Jeanne Azarovitz – yes, Judith Froman – yes, Jared MacDonald – yes, Chair Meier – abstain, Melissa Ferretti – yes, Mary Jane Mastrangelo – yes, Elizabeth Brown – yes, and Christopher Farrell – yes. 8-0-1.

Chair Meier said that each member of the Select Board and the Planning Board will now vote for the candidate or candidates that they chose to fill the vacancies.

Christopher Farrell voted for both Mr. Robinson and Mr. Meier.

Elizabeth Brown voted for both Mr. Robinson and Mr. Meier.

Mary Jane Mastrangelo voted for both Mr. Robinson and Mr. Meier.
