Harvey Williamson, representing Verizon, said this is being asked for by Eversource. It appears the pole may be on private property; not sure if they want anchors or not; there is a mini warehouse stored close to the pole, about 3 ft. away - if they want anchors it may be in the way, there is a tree about 12" in diameter that is in the way.

William & Joan Fallon, 7 Grasslands Lane, Cataumet. Family wedding on September 8, 2018 and reception will be held at 7 Grasslands Lane. The reception is outside and with a tent alongside the road. Requesting to close the street to "for residents only" for the afternoon and evening. They would ensure access for emergency vehicles and parking for the vendor service trucks. Comments: Planning Department - Grassland Lane is a narrow Town road, applicant has requested to close road, have abutters been notified, what is the parking plan. Department of Public Works - Remove all trash, concerns with narrow road. Police Department- 7.27.18 - Concurs as long as the road access is open for at least one lane travel. 7.11.18 - PD is unsure that this request is justified or needed for this purpose. Recommended traffic safety cones could be used, but that the road access be maintained as open for at least one lane of travel of at least ten feet wide. This residence is prior to two other roads (Elm and Maple). This should suffice and not be a problem. Fire Department: Need access for emergency response. Food trucks will need inspections if serving food from them.

The Board members discussed their concerns with the width of the road, where the cars will park, and having one lane on the road open for emergency vehicles.

James Potter suggested giving them another chance to come before the Board. The Board discussed getting an abutters list to make sure the abutters are notified of the request.

Voted Judy Froman moved and seconded by Jared MacDonald to continue the request for Grasslands Lane to August 21st upon notification to the applicants and the request that they notify the residents on the Grasslands Land.
