All items within the meeting agenda are subject to deliberation and vote(s): by the Board of Selectmen.

Meeting called to Order.

Chairman Froman convened the meeting in open session at 6:05 p.m. A motion was made by Jared MacDonald, seconded by Peter Meier to enter into Executive Session to review and take action on the following Executive Session as outlined in the agenda:

The Motion was voted: Meier – YES; Slade – YES; MacDonald – YES; Potter – YES; Froman – YES;

Schiavi gave an update of where things stand as to his work and his contract to date in Bourne. His main points were that he had to be a fast-paced change agent, but the tenure of change agents is often shorter than expected. He made the board aware of past and present challenges.

He stressed that his values are not negotiable in administering his work. He never wants nor intends to be a distraction and also stresses the concept of service over self.

As a result of challenges, he informed the board that he has considered stepping down. The consensus was that the board is aligned and understanding of his points.

No votes were taken.

Froman asked for a motion to adjourn. Meier made a motion to adjourn, second by MacDonald. Meier – YES; Slade – YES; MacDonald – YES; Potter – YES; Froman – YES; Adjourned at 8:20 p.m.

Respectfully submitted – *George Slade*
