 BOURNE, MASS

Meeting was called to order at 9:00 am.

1. Project Review: Stomping Grounds – 240 Main Street

The sign was presented as designed by the owner, Helene Rogers. In the front a red, black and white carved foam oval sign will be mounted in the existing posts (cut down to 6' from their current height of 8'). As second small sign was proposed to mark the restaurant parking lot off Perry Avenue. This sign was similar in style and materials but has the added text "parking".

The committee reviewed and accepted the proposal with the following conditions:

- a. Signs will be located as marked on the site plan.
- b. Main Street sign must be a maximum of 6' tall (the posts and sign).
- c. The directional sign on Perry avenue must smaller at a maximum of 5 sqft.
- d. The business may fly one American flag and one "Open" flag which will be taken in at the end of every business day.
- e. A-frame and sliding letter board must be permanently removed

2. There was no other business.

Meeting was adjourned at 9:12 am.

**There is no meeting on March 2, 2015. The next meeting is April 6, 2015.**
