Health Agent

APPLICATION FOR INSTALLATION OF A RESIDENTIAL POOL

DATE:

OWNER:

TELEPHONE:

LOCATION:

Be sure to attach a plan or drawing of your pool on the lot that includes measurements from the pool to all parts of your septic system and which clearly shows the location of the pool fencing.

TYPE OF POOL: please circle IN GROUND ABOVE GROUND

DIMENSIONS OF THE POOL:

SOURCE OF WATER:

**IF POOL REQUIRES BACKWASHING, BE SURE TO CONNECT TO A DRY WELL
DO NOT BACKWASH INTO A STORM DRAIN**

On May 14, 2014, the Bourne Board of Health amended the residential pool fencing regulation to include more detail from the State building code. For the full version of the regulation, go to www.townofbourne.com and access the Board of Health page.

In ground pool must be installed 10 feet from an existing septic tank and 20 feet from the existing leaching facility (cesspool, leaching pit, flow diffusers). Above ground pools should not be placed over any component of the septic system.
