10-30-2023 Addendum:

Applicant wanted to add a second story to this building. After the Commission Hearing, it was determined the septic wasn't large enough to allow a second story. Therefore, Julia Gillis, Assistant Town Planner, signed off on the project for the Historical Commission on October 18, 2023. Subsequently, the Bourne Building Department issued the Building Permit. There will be no continuation of the hearing.
