

PUBLIC INFORMATION MEETING

Cape Cod Bridges Program

What is happening?

A live virtual public information meeting will be hosted on Zoom to provide updates on the Cape Cod Bridges Program. MassDOT will present on the status of the Program, interchange alternatives for the Bourne Bridge, and next steps. There will be an opportunity for public comments and questions following the formal presentation. Public input will be reviewed and considered to the maximum extent possible.

How will this affect you?

This Program will include the replacement of the Bourne and Sagamore bridges, provide new connections to the local roadway network and improve multimodal accommodations within the Cape Cod Canal area.
