Subject: Roadway Traffic Safety Committee

Good Morning Sir,

I was speaking with Dave Cody over the weekend and he advised that there may be two vacancies for an *At Large Member* on the Roadway Traffic Safety Committee. I have been a town resident since 2000 and currently supervise the Crime Scene Unit at the Barnstable County Sheriff's Office. One of our primary responsibilities is investigating motor vehicle accidents in Barnstable County. I have a good understanding of the dynamics of motor vehicle crashes as well as my position brings me throughout Barnstable County, providing me with a diverse viewpoint of roadway and intersection design.

I would be interested in getting involved in the Committee and hope that my knowledge would be valuable to the group and the Town of Bourne residents.

Thank you, Matt Smith
