THE TOWN OF BOURNE IS AN EQUAL OPPORTUNITY EMPLOYER

TOWN OF BOURNE

Job Description	Title: DPW Pesticide Applicator	Union: LIUNA DPW
Department: DPW	Effective Date: 02/29/2024	Classification: 5
Reports To: Crew Leader	Revised Date:	FLSA Status: Non-Exempt

Statement of Duties

Position is responsible for performing a variety of physical tasks to support the daily operations of the Public Works Department. Work includes loading and unloading trucks, patching roadways, landscaping grounds, applying pesticides, removing trash and recyclables, and assisting in the overall maintenance and repair of town streets, roadways, and grounds; or any other duties as assigned.

Supervision

Work is performed under the direct supervision of the crew leader. Clear, detailed and specific instructions govern the work or are explained with each assignment. The employee works as instructed and consults with the supervisor as needed on all matters not specifically covered in the guidelines or instructions. The supervisor maintains control by reviewing the work in progress or upon completion.

Job Environment

Well defined or detailed rules, instructions and procedures cover all aspects of work. Judgment involves choosing the appropriate practices, procedures, regulations or guidelines to apply in each case. The work consists of simple, routine or repetitive tasks and/or operations with few variations in well-known or established procedures.

Errors could result in delay or loss of service, damage to vehicle and equipment, injury to self or others.

The position has occasional contact with the public and other town departments to give or receive information and assistance regarding work.

Essential Duties

The statements contained in this job description reflect general details, as necessary, to describe the principal functions of this job, the level of knowledge and skill typically required, and the scope of responsibility. It should not be considered an all-inclusive listing of work requirements. Individuals may perform other duties, as assigned, including work in other functional areas to cover absences or provide relief, to equalize peak work periods or otherwise to balance the workload.

1. Safely and efficiently performs assigned work, including: pesticide application, garbage and recycling removal, snow removal, tree trimming, roadwork, and landscaping.
2. Applies fertilizer, herbicide, lime, grass seed and pesticide to Town grounds and facilities as needed.
3. Assists in the maintenance and repair of streets, grounds, and roadways by mowing lawns, shoveling snow, and leaf removal, cleaning catch basins, repairing pot holes, trimming tree branches, and installing lights.
4. Maintains town equipment, grounds, and facilities by painting, cleaning, shoveling, raking, planting, mulching and performing duties as assigned.
5. Lifts, moves, and carries and lays supplies and materials for construction projects.

Recommended Minimum Qualifications:

Physical and Mental Requirements:

Employee works outdoors on loud construction/landscape sites, and is required to sit, reach, and use hands up to 2/3rd of the time; stand, walk, talk/listen, climb, balance, stoop, kneel, crouch or crawl up to 1/3rd of the time. Employee occasionally lifts up to or more than 100 lbs., Normal vision and ability to read is required for the position. Equipment used/operated includes: pneumatic tools, power tools, and hand tools. Employee is exposed to outdoor weather conditions, fumes, and moving mechanical parts more than 2/3rd of the time; high places, confined spaces, toxic or caustic chemicals, risk of electric shock, and work with explosives up to 1/3rd of the time.

Education and Experience:

Must have a High School diploma or equivalent, and at least one year of construction, horticulture or landscaping experience preferred; or an equivalent combination of education and experience.

Licenses and certifications required:

Must have a valid Massachusetts Driver's License and valid Massachusetts Pesticide Applicator license.

Knowledge, Skill and Ability:

Knowledge: Knowledge of public works operations. Knowledge of landscaping maintenance equipment, lawn care maintenance including seeding, liming, fertilizing and pesticide application. Knowledge of safety standards and precautions related to the work as prescribed by the DPW and OSHA regulations.

Skill: Written and oral communication, operation of computers, tools, and equipment, organization and planning skills, explaining and enforcing regulations to customers and operation of construction equipment.

Ability: Ability to follow written and oral instructions and read warning labels; clearly and effectively communicate with others and provide information and assistance to the public. Work on a variety of maintenance and repair projects. Ability to work independently and prioritize tasks, ability to work effectively under time constraints, and strong desire and ability to provide excellent customer service to the public.

(This job description does not constitute an employment agreement between the employer and employee, and is subject to change by the employer, as the needs of the employer and requirements of the job change.)
