

Virtual Design Public Hearing

Route 6 (Scenic Highway) Corridor Improvements

Bourne, MA

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for the Route 6 Corridor Improvement project in Bourne, MA.

How will this affect you?

The proposed project consists of the widening of Route 6 (Scenic Highway) between Edgehill Road and Nightingale Road. The widened roadway will include the addition of a raised center median between eastbound and westbound traffic, improvements to lane and shoulders widths and cross slope improvements on curves on the roadway. Drainage improvements for treatment and catchment include a new swale along the westbound shoulder and new underground drainage. The project will incorporate a 10 foot wide shared use path between both intersections that will be physically separated from roadway traffic.

When

Thursday, June 8, 2023
7:00PM to 8:00 PM

Attend
