- Falmouth
- Dennis
- Brewster
- Harwich
- Chatham
- Orleans
- Wellfleet
- Truro

Get **CREATIVE**!
There are many ways to donate or pass-on your unused paint:

- Ask your friends, family, neighbors if they want your paint.
- Give to association or hobby groups. Beekeepers and boatbuilders use paint for variety of projects.
- Paint is expensive and can be considered a luxury item for some, so donate to folks on a fixed or low income.
- Community groups such as drama clubs, Scouts, and shelters have big ideas but small budgets. Consider donating your unused paint for their activities.

Is It **HAZARDOUS**?
If you see any of these words on the label, it’s Hazardous!

*Combustible, Oil, Alkyd, Petroleum Distillates, Mineral Spirits, Linseed Oil, Hydrocarbons, Solvent-based, Lacquer, Thinner, Lead, Chromium, Two-part paint, Car or Boat paint, Swimming Pool paint.*

Full or partially full cans should be taken to your household hazardous waste collection. For collection schedules visit [www.loveyourlocalwater.org](http://www.loveyourlocalwater.org)
