TOTAL ENTERPRISE FY21 DEFERRED TO FALL STM \$ 815,000.00

GRAND TOTAL FY21 DEFERRED TO FALL STM = \$11,453,000.00

FY21 CAPITAL OUTLAY ITEMS NOT RECOMMENDED OR INDEFINATELY DEFFERRED

One DPW request deferred – Request for \$200,000 funding to supplement Chapter 90 funds for Road Paving Maintenance was deferred. The Capital Outlay Committee plans to work with DPW and the Town Administrator to outline a 5-year plan for road maintenance and funding.

One Library request deferred - \$150,000 for Painting the Interior of the Library was deferred – for further cost and phasing analysis.

One Recreation request was deferred - \$33,000 for a New Vehicle was deferred – other options will be considered.

One Engineering request was deferred - \$300,000 for Sagamore Beach Fire department parking was deferred. While this is a worthwhile project in evaluating priorities the \$300,000 request could not be recommended this year. The \$50,000 approved at the October STM for engineering services for the project has not been spent. While it might make sense to use the funds for a less costly parking expansion project, this would require the Town Engineer to outline options and a warrant article and vote of Town meeting to change the purpose of the funding.

One Sewer Department Request was moved to the Sewer budget - \$15,000 for manhole cover repair and upkeep was moved to the Sewer Department budget in FY20 and is not needed as a capital request.

One Sewer Department request was deferred - \$89,000 to replace M-9 Sewer Truck was deferred. It was determined that replacing this truck was not a priority based on usage and the limited number of employees in the department that would be using the truck on a daily basis.

GRAND TOTAL FY21 NOT RECOMMENDED OR INDEFINATELY DEFERRED \$787,000.00

FY21 CAPITAL OUTLAY ITEMS ACCELERATED

One Fire Department request accelerated – the \$30,000 request for the Sagamore Station Air Compressor for the SCBA tanks has been funded as a Reserve Fund Transfer – the equipment failed and needed to be replaced for safety.

GRAND TOTAL FY21 ACCELERATED \$30,000.00

<u>ARTICLE 14:</u> Shall the Towne of Bourne request the Board of Selectmen communicate to Governor Baker And the State Legislature to form a special Commission to change the Massachusetts state flag and seal? Whereas all 50 states of the Union have flags and seals only two Mississippi which incorporates the Confederate battle flag and Massachusetts which features the sword of Miles Standish hanging over the head of an artificial indigenous man with the Latin phrase translated, "By the Sword we seek Peace" have come under sustained criticism as official symbols of White Supremacy and violent Militarism. We need a flag and seal that celebrates the values of Massachusetts and the glories of our state. Let us support the House bill, HD.2968 and the Senate bill SD.1495 which ask for such a Commission. Five towns on Cape Cod and more than 39 other towns across the state have passed such a resolution last year and this year more towns will have the resolution on the Town Warrant. Let us join these towns. Or take any action in relation thereto.
