Memorandum

To: Board of Selectmen
From: Chris Southwood
Date: December 3, 2019
Subject: **2020 Shellfish Regulations**

Selectmen,

As per MGL Chapter 130 Sec 52, for this Public Hearing any regulations made hereunder shall take effect as therein stated, shall be published by posting a copy of the same in the office of the aldermen, city council or selectmen making the same, and in the office of the city or town clerk, and in three or more public places in said city or town. These postings include, Town Hall and three Post Offices (Buzzards Bay, Pocasset, Monument Beach) as well as the Town of Sandwich Clerk's Office.

Attached are the recommendations for the 2020 Recreational and Commercial Shellfish Regulations as submitted by this department. The changes from the current 2019 regulations include all of the applicable dates, Section 1.9 allowable harvest hours from sunrise to sunset, Section 1.10 prohibited tools for harvesting to include standard garden pitch forks, Section 4.2 commercial authorized harvest days to include Saturdays year round, Section 4.3 definition of a bushel container, the change of 3 shellfish growing area classifications by the Division of Marine Fisheries. Two (2) growing areas have been reclassified from Approved to Conditionally Approved (Little Bay and Mashnee Road) and one (1) area from Conditionally Approved to Prohibited (Plow Penny Road). All changes are highlighted in the drafts. Two shellfish propagation closures were added for Barlow's Landing and Emmons Road Bridge. These quahog relay sites were transplanted with approximately 800 bushels each. The Division of Marine Fisheries is requesting 2-3 year closures for additional spawning seasons. One (1) shellfish propagation closure has been reopened by the Division of Marine Fisheries based on shellfish testing results (Tahanto Flats).

Section 1.2.5 & **Section 1.2.6** Recreational Permit Fees for veterans have been added to the Town of Bourne Shellfish Regulation in accordance with MGL Chapter 218 of acts of 2018 "Brave Act" (signed into law August 10, 2018). This law prohibits

cities or towns from charging a veteran a fee greater than the fee charged to a resident of that town for recreational shell fishing permits.

The Town of Bourne Shore and Harbor Committee recommended the approval of these amendments at their November 14th public meeting.

This department is requesting a waiver for a third reading to meet deadlines relating to regulation approvals by January 1st, 2020 and the printing of the Town of Bourne Shellfish Regulation booklets.

Peter Meier spoke about the Town getting out now would be fruitless, because if the rail goes through Bourne, we will get no benefit from it. We need to be advocating for it. If we get out we will not get back in.

Judy Froman said we can add this to an agenda on another date.

10) Adoption of 2020 Shellfish Regulations

Chris Southwood spoke about the Draft Plan for the Shellfish Regulations, and the changes. The changes are the applicable dates, and the change of 3 shellfish growing areas classification by the Division Marine Fisheries. Two growing areas have been reclassified from approved to conditionally approved (Little Bay and Mashnee Road) and one area from conditionally approved to prohibited (Plow Penny Road). It was suggested, by commercial fishermen, to amend the regulation regarding a bushel/ tote, most towns allow a basket. Another recommendation was time of year and hour restrictions. Bourne does not allow shellfishing until sunset; and shellfishing on Saturdays during the summer. We need to have these approved by the beginning of the year. Mr. Southwood also spoke about the Brave Act. Signed into law August 10, 2018, Chapter 218 of Acts 2018. The law prohibits cities or towns from charging a veteran a fee greater than the fee charged to a resident of that town for recreational shell fishing permits.

James Potter questioned if in the future the Board should hold a public hearing to notify the public if we are making major changes to regulation.

Glenn Cannon said Mr. Southwood is looking to have a waiver of the third reading.

Judy Froman said if the Board votes by supermajority we can waive one of the readings.

Voted: Peter Meier moved and seconded by Jared MacDonald to approve the first reading on this and refer this to the second reading for the December 3, 2019.

Vote: 5-0-0.
