Dear Ms. West:

On March 20, 2019, an inspection of the on-site sewage disposal system at 26 Massasoit Ave, Bourne, MA was conducted pursuant to the State Environmental Code: Title 5, 310 CMR 15.301. An enforcement order was sent from this office on March 26, 2019 describing that the existing septic system was determined to be a failed system and the owner/ operator was ordered to upgrade said system within two years of the date of the inspection pursuant to 310 CMR 15.303 and 15.305. According to the records of the Assessor's Department, this property is owned by you.

I am hereby notifying you that in response to the failure to upgrade your system or to take other necessary corrective actions as ordered or otherwise directed by the Bourne Board of Health in accordance with the State Environmental Code; is a violation of 310 CMR 15.024(6). Each day's noncompliance with the order dated March 26, 2019 shall constitute a separate violation of Title 5 where fines may be issued against you.

You are hereby ordered to contact this office immediately upon receipt of this notice. Should you be aggrieved, you have the right to a hearing before the Bourne Board of Health. Please be advised that failure to comply with the orders issued may result in a hearing before the Board of Health for violation.

We are hopeful that this is just an oversight on your part. Thank you in advance for your prompt attention to this matter. We look forward to hearing from you.

Sincerely,

Terri Guarino, RS, CHO
Health Agent
