Message:

Hi Peter,

Jim and I were concerned to hear that MMA is discharging into canal. When did this Happen? Did they have to get permission ? I had no idea and was quite shocked. I would think this is not sitting well with all neighbors on Academy Drive . Water quality is huge. MMA just seems to do whatever they want . Very upsetting.

Also

We are Not in favor of discharge pipe from Wareham going into canal at MMA. I did not see any studies of effect on our little beach cove. I can only think this would be very detrimental to our beach. This area needs to be studied

They need a long pipe to discharge way out in Buzzards Bay like they do in Boston. The residents of Bourne need to keep our beaches and canal clean and pristine for enjoyment and nature .

Please share my concerns with the appropriate people

Thanks,

Nancy and Jim Buckley
