Dear Mr. Slade,

I am interested in serving as a member of the Bourne Board of Health and have attached my resume for your review. I understand that this is to fill an unexpired term until the annual town election in May 2021. My intent would be to continue my service by becoming a candidate at the annual town election to fill one of the open Board of Health positions.

In my capacity as a CPA and CFO, I have over 20 years of experience working with real estate developers and attorneys on subdivision approvals, including working on a 40B Project. I have read the duties of local boards of health in Massachusetts and would feel comfortable filling any of the required duties.

I welcome the opportunity to interview with the Board of Selectmen and the Board of Health on March 16th.

Kind regards,  
Barbara Princiotta
