Part I	ADMINISTRATION OF THE GOVERNMENT
Title VIII	ELECTIONS
Chapter 53	NOMINATIONS, QUESTIONS TO BE SUBMITTED TO THE VOTERS, PRIMARIES AND CAUCUSES
Section 18A	NONBINDING PUBLIC OPINION ADVISORY QUESTIONS ON LOCAL BALLOTS

Section 18A. As used in this section "governing body" shall mean, in a city, the city council acting with the approval of the mayor subject to the provisions of the charter of said city, in a town having a town council, the town council, and in every other town the board of selectmen.

A nonbinding public opinion advisory question may be placed on the ballot for a regular municipal election in any city or town no later than the thirty-fifth day preceding such election: by vote of the city council of such city, with approval of its mayor where so required by the city charter; by vote of the board of selectmen of a town or by vote of the town council of a town having a town council or by vote of the annual town meeting; or in conformity with the following provision of this section:

A proposal to place a nonbinding public opinion advisory question on the ballot for a regular municipal election in any city or town may be presented to the governing body thereof on a petition signed by at least ten registered voters of the city or town. If such governing body shall not

approve said petition at least ninety days before said election, then the question may be so placed on said ballot when a petition signed by at least ten per cent of the registered voters of the city or town, but in no case less than twenty such voters, requesting such action is filed with the registrars, who shall have seven days after receipt of such a petition to certify the signatures. Upon certification of the signatures, the city or town clerk shall cause the question to be placed on the ballot at the next regular municipal election held more than thirty-five days after such certification.

The procedures established by this section shall be available to any city or town; provided, however, that if an alternative procedure is prescribed by a home rule charter, optional plan of government, or special act applying to such city or town, relative to the placing of public opinion questions upon the local ballot, then such alternative procedure shall apply.

**Public Advisory Question for the 2020 Spring Town Ballot or Town Meeting Warrant
for increased security at the Pilgrim Nuclear Power Station on Cape Cod Bay
in order to protect the public and the environment**

RECEIVED
FEB 17 2020
TOWN OF BOURNE
BOARD OF SELECTMEN

Whereas, the high level nuclear waste will remain at Pilgrim for decades or more in dry casks that present safety concerns, each holding half the radioactive cesium released at Chernobyl;

Whereas, the spent fuel pool remains full and is vulnerable to terrorist attack or accident that could cause radioactive contamination rendering our communities uninhabitable;

Whereas, due to lack of proper security on the property, there has been open access beyond the posted 'No Trespassing' signs to within line-of-sight of dry casks and spent fuel pool;

Whereas, during decommissioning, the Nuclear Regulatory Commission has abdicated its responsibility to protect the public by approving exemptions requested by new Pilgrim owner Holtec for reduced offsite liability insurance, cybersecurity, and offsite emergency planning;

Whereas, safety is a human right;

Whereas, citizens of the Town of Bourne MA find this to be an unacceptable threat to our health and safety and must be resolved in the most timely manner;

Therefore, shall the people of the Town of Bourne MA direct the local government to communicate to Governor Baker and the State Legislature to employ all means available to ensure that: (1) spent nuclear fuel is secured in better quality dry casks and hardened onsite, storage; and (2) spent fuel pool and casks are protected with heightened security to prevent intrusion in order to protect the health, welfare, and economic interests of the Town of Bourne MA and its inhabitants and visitors?
