**ACT NOW!**

**Tell Gov. Baker to Sign the Climate Bill.  
Deadline is midnight, Thursday, January 14th!**

In the last hours of the session, the Massachusetts Legislature passed a landmark [climate bill](#) that sets us on a path to reach net zero carbon emissions by 2050.

BUT, Gov. Charlie Baker still needs to sign the bill into law. Time is running out. Please take a moment to [email Gov. Baker](#) and ask him to sign the bill.

A simple message:

Dear Gov. Baker,

I urge you to sign "An Act Creating a Next-Generation Roadmap for Massachusetts Climate Policy" (S.2995) into law so that Massachusetts can achieve its goal of achieving net zero carbon emissions.
