Dear Mr. Schiavi,

By way of this email, and attached form, I would like to express my interest in being a part of the Cable Committee. I currently live and work (remotely) in Bourne, where I have lived since 2018. I manage a team of 6 people as a regional Director of Sales Strategy for Club Med resorts. A native of Massachusetts, I lived in Chicago for several years, where I was President of the 5201-09 S Blackstone Condominium Association. In that volunteer role, I spearheaded the contracting and installation of high-speed internet for the entire building - a project which provided better service, lower cost and increased property values for our owners. While I am not a telecom specialist, I do have some understanding of the basic principles and, between this experience, and my own remote working needs, I feel very strongly about providing the best possible access to affordable and high quality communications for the residents of Bourne. I would welcome the opportunity to apply my skills and enthusiasm to this committee.

Thanks and regards,
Justin Heckman
