BOARD OF SELECTMENT APPOINTMENTS
CABLE ADVISORY COMMITTEE**

The Board of Selectmen are seeking interested candidates to be appointed as members to the Cable Advisory Committee to assist the Board of Selectmen in their roll of Issuing Authority (IA) regarding the town's cable license with Comcast. The town's license with Comcast will expire on March 19, 2022. This committee will be appointed at the Board of Selectmen's meeting on February 2, 2021. Interested candidates should send a Letter of Interest (LOI) along with a town Talent Bank Form to the Town Administrator at ASchiavi@townofbourne.com No later than January 15, 2021. Although no particular background is required for this committee, one member shall have at least some knowledge in the field of telecommunications.

Dear Town Administrator:

I am interested in being a member of the Cable Advisory Committee and ask that you consider me for one of the current open seats. In October of 2019, have moved into Bourne and would like to get more involved in the activities of this community. There may be other committees where my skills could be useful, but the notice above caught my eye.

As an interested member of our community, I would like to volunteer my time, skills, and talents to assist in planning the future of our town.

I'm currently working as a business systems analyst for a medical device company. I've been in the IT groups as an analyst and project manager for over 20 years. What has piqued my interest in seeking appointment to the Advisory Committee is my desire to serve the town. It is my home.

I respectfully request your support in being appointed to the Cable Advisory Committee.

I would be happy to provide my resume or answer any questions you may have.

Thank you,
Rich Kantor
