Message:

Good morning,

I would like to express my interest in the open positions on The Barnstable County Human Rights committee (first choice), as well as the Bourne Human Services committee.

I am a Bourne native who moved back to the town in 2016.

My work has been in education and the law. I was a public school teacher/administrator for more than 30 years; I have also been an attorney practicing in civil litigation for more than 30 years.

I have experience in town government as an elected member of the School Committee in Canton, Massachusetts for six years, serving for two years as the chairperson. I also served on the board of library trustees in Canton.

I have a strong interest in social justice and human rights concerns and would very much like to become involved in these committees. If you need further information, you can contact me at [REDACTED]

or at [REDACTED]. Thank you for your consideration.

Jo Ann Johnson
