Ref: Compliance Violation Letter Dated January 17, 2023

Dear Sir/Madam,

With reference to the above, we not only regret the untoward incident, we also are embarrassed & ashamed of the occurrence as a Mom & Pop local store serving the Community for the last 13 years. This occurrence has affected us mentally, psychologically & we are extremely perturbed by this incident.

However, please note that henceforth with immediate effect, we have introduced mandatory ID carding for all purchases of Tobacco/Cigarettes & Lottery regardless of age & gender.

Hope this will allow us to live up to your expectations in future Compliances.

Thank You for your understanding.

Sincerely Yours

(Rafiq Islam)
