

PET POLICY

We extend a very special welcome to our furry friends! We ask that all pet owners review and sign our Hampton Pet Policy agreement upon check-in.

1. There is a non-refundable pet fee per stay. Please see the front desk for additional details.
2. No more than 2 pets per room are allowed.
3. Damages to the room or premises could result in additional fees.
4. Guest is responsible for properly cleaning and disposing of pet waste on premises.
5. No pets are allowed in the breakfast or pool areas.
6. Pets must be on a leash or in a carrier anytime they're outside of your room.
7. Please display door tag on your door for the duration of your stay. In order for our staff to provide housekeeping services while your pet is in the room, you will need to be present (and the pet will need to be in their carrier or on a leash).
