Enhanced Wampanoag Day September 23, 2023

The Bourne Historical Society is requesting a grant of \$5,000 to continue our annual Wampanoag Day celebration on the grounds of the Museums at Aptucxet. Our 2021 mini-PowWow event was very successful with good attendance and, after a break in 2022, we are ready to do an enhanced version of Wampanoag Day with more performances, traditional craft demonstrations, hands-on learning and educational opportunities. The grant would enable us to pay the event organizer, the Wampanoag Singers and Dancers, Flutist Emma Jo Mills, the event MC, the Herring Pond drummers and the traditional arts demonstrators. It would also enable us to create gift bags for children and tribal elders, a long-held tradition at these events.

The event Chair and Organizer will be Wampanoag Tribal Elder Carole Wynne, with help from Kitty Hendricks-Miller and Steve Hendricks. This bigger celebration would be a cooperative event between the Mashpee Wampanoag tribe and our local Herring Pond Wampanoag Tribe. The Bourne Historical Society will provide the venue, volunteers, set-up and any help needed for a successful day.

We are planning this event to be an upgraded version of our annual Wampanoag Day celebration which has always been a successful and interesting event that draws many visitors to the town of Bourne, with an audience from Bourne and the Cape as well as visitors from afar.

Thank you for supporting this event.
