Bourne Rabies Throwing Dates: Monday April 23rd and Monday May 7th

Two types of oral rabies vaccine will be distributed. The sachet and the bait block contain the same amount of vaccine.

If you find vaccine/ bait package:

- Use a glove or towel to pick it up. Throw it into the woods where children and pets will not find it. If no suitable place is available, dispose of the bait in the trash.
- Wash your hands thoroughly after handling the vaccine/bait package.
- If your pet has eaten or had contact with a bait, please report the contact to: Bourne Board of Health at **508-759-0600 ext. 1513**

The bait is not harmful. We use this information to educate those distributing the baits that their baits may not have made it to their target destination.

Rabies vaccine will be distributed close to and in wooded areas
