

Registration Statements improperly identified CLF as the Authorized Representative because CLF is not an "individual" within the meaning of 310 CMR 16.20(3). The Hearing Officer held that the defect could be remedied with the designation of an individual to serve as Authorized Representative.

Conclusion

The Ten Citizen Group hereby requests the Registration Statements be amended pursuant to the Ruling to designate Christopher R. Powicki as the Authorized Representative for the Ten Citizen Group.

Respectfully submitted,
