I have received your email. The intention of the proposed bylaw is to allow 3 physical retail stores. The Planning Board can discuss this at their hearing on Thursday night. I will also confirm with Town Counsel on the recommended language to clarify this.

Thank you,

Jennifer

Subject: MOD - Applicability (e)

Hi Jen~

Quick question....

The MOD in section 4852 (Applicability)(e) States that the number of retailers in Bourne will be limited to 3. Does this mean only 3 physical retail establishments/stores are permitted or does it mean that 3 retailers as defined in the Definitions section. Is it possible for one entity, in terms of being one person/LLC/organization etc., to legally create more than one retail establishment? In other words, I don't think that "retailer" and "retail establishment" are necessarily the same thing. I am concerned that this could be an issue that the Pro-Marijuana People could argue in a court of law....

Please see the pdfs I have attached for you to look at.

I am emailing Dan Doucette this same question.

Thank you for your attention to this matter.
