

PERMIT VALIDITY REGULATION

BOARD OF HEALTH

TOWN OF BOURNE

Effective date of Amendments September 21, 2022

Pursuant to Chapter 111, Section 31 of the Massachusetts General Laws, the Bourne Board of Health, at its meeting on September 14, 2022, voted to amend its regulation dated May 24, 1995 and January 4, 1974 regarding permit validity to the following:

Disposal Works Construction Permits shall be valid for one year from the date of approval by the Board of Health (date of signature by Health Agent). Said permit, with originally submitted plans, may be renewed for one consecutive year as long as no MassDEP or Board of Health regulations concerning sewage disposal systems have been promulgated or amended and renewal applications are made prior to the expiration of the original permit. Further renewals will be considered on a case by case basis by the Board of Health.
