COVID-19 Update issued May 22, 2020

As we continue to deal with the COVID-19 Pandemic, we are providing this weekly update on Town actions to date and share information regarding current operations.

1. Town buildings remain closed to the public. Public Safety buildings remain open for emergencies and other limited services, however, please call first for the latest information if you have non-emergency business. All town offices remained staffed to answer your questions or address your concerns. Staff can be reached by phone and email daily. Please use the Town Website for department contact information.
 - a. Thank you to those who are using on-line services for payment of bills and/or the new drop box located at the top of the handicap ramp at the Town Hall's back entrance. If using the drop box, please make sure checks and other paperwork is in an envelope so that it doesn't get separated.
 - b. We are posting the daily Situation Report (SITREP) from MEMA on the town's website. Access the Red COVID-19 Banner at the top of the Home Page to read this report and other COVID-19 information. This report not only has current data, but also many links to other informative information.
 - c. The MA Department of Public Health is now posting daily a COVID-19 Dashboard with important data related to the pandemic. Please visit this link: <https://www.mass.gov/info-details/covid-19-response-reporting>
 - d. (New) – The Cape and Islands Reopening Task Force will be issuing periodic Situation Reports or SITREPS and will be posted on our Town Website – the first two should be uploaded sometime today or over the weekend.
2. The Bourne Board of Selectmen voted to declare a “State of Local Emergency” on March 17, 2020 in response to the COVID-19 pandemic. That emergency order remains in effect.
 - a. The state has implemented a text alert system to keep citizens of the Commonwealth informed of the latest information. All Bourne residents are urged to sign up for these text alerts by texting Covid19MA to 888-777.
 - b. On April 9, 2020, Governor Baker issued additional guidance for grocery store operations. One of the main changes was to limit the number of employees and shoppers to 40% of the stores permitted occupancy load at any one time. Please plan accordingly.
 - c. There was a new advisory issued late last week for people to wear a face mask or covering if venturing out in public where it is often difficult to maintain social distancing, such as grocery stores and pharmacies.
 - d. (New) – On May 18, 2020 Governor Baker announced a four phased plan on reopening Massachusetts. Please visit the State's reopening website for detailed information related to Phase 1 which began May 18th. Each phase is expected to be a minimum of 3 weeks in length, and future phases will be announced when public health data supports moving from one phase to the next. <https://www.mass.gov/info-details/reopening-massachusetts>

3. Town Meeting/Town Elections: On March 17, 2020, the Bourne Board of Selectmen voted to delay the issuance of the Annual and Special Town Meeting warrants until such time as the emergency situation no longer exists.
 - a. The Board of Selectmen further discussed the issue of the Town Meeting on April 7, 2020. The Board reached a consensus that the earliest date for the ATM/STM would be June 29/30 2020. Therefore, June 29th is now our planning date and we will begin to finish any remaining actions leading up to a town meeting on these dates with a date of June 2, 2020 for the Board to approve, sign, issue and post the warrant calling the Town Meeting (conditions permitting).
 - b. The Board of Selectmen at their April 2, 2020 meeting voted unanimously to move the Town's Annual Election to Tuesday June 23, 2020. The Town Clerk's office will be putting out information and guidance related to important voter registration dates associated with the change as well additional options for voters.
 - c. (New) – Town Meeting is currently being planned to take place outdoors at the Bourne HS Jackson Field on June 29th. Time for the meeting to be announced shortly.
4. Department of Public Works: We are continuing curbside service, however, **recycling will go back to weekly starting on April 27, 2020.** Ensure that all household trash is bagged and tied before putting into the receptacle for pickup. It may be left behind if it is not properly bagged. This is for the health and safety of our employees. For those residents and businesses that are on town sewer, PLEASE do not flush wipes down toilets. These will cause damage to our grinder pumps.
 - a. (New) - As a reminder, all carts for curbside pickup MUST be at the curb no later than 7AM on your day of pickup. If they are not, please do not call the DPW for pickup.
5. ISWM (Landfill) – ISWM remains operational. Please consult the ISWM website or call if you have questions on which parts of the landfill are still operating.
 - a. Starting 4/27/20, the facility is open for Residential yard waste and brush – please visit the ISWM page on the website for more information.
 - b. Beginning on 5-7-20, the facility is open again for Residential C&D disposal – please visit the ISWM webpage for additional information.
 - c. (New) – Beginning May 21, 2020 the facility will reopen the residential recycling area. Please visit the ISWM webpage for additional information, restrictions, etc.
6. Please help local businesses, particularly those providing food etc. for pickup, curbside or delivery and our grocery/convenience stores and pharmacies. They are there for us and making sure we have access to essential items. There are many acts of kindness going on in our community to make sure our families, seniors or anyone who might have trouble securing essentials have what they need. Thank you to everyone who has assisted someone in need. For a list of restaurants providing meals please visit <https://conta.cc/2Ug7Zet> .
7. (New) - Department of Conservation and Recreation (DCR) is planning reopen the parking lot to Scusset Beach on or about Monday Ma25, 2020. Please check the DCR website for information. <https://www.mass.gov/info-details/massachusetts-state-parks-covid-19-update>

8. Governor Baker also announced a partnership with Bouy Health and a program for MA residents to use and assist them with health screening related to COVID-19. The website to use is www.buoyhealth.com.
9. Additional resources were recently added by the Chamber on their website. Many new programs are now coming on line to help businesses and employees cope with the economic impacts caused by the COVID-19 pandemic. Please visit them at <https://www.capecodcanalchamber.org/> to find great information and helpful links for business owners and employees. Or visit <https://www.sba.gov/page/coronavirus-covid-19-small-business-guidance-loan-resources#section-header-4> for additional information.
10. The Cape and Islands Major Crisis Relief Fund was recently started to help those in our community that may need help with a mortgage payment, car payment, medical bills or other basic needs during this pandemic crisis. You can find more information at www.majorcrisisrelieffund.org
11. Our Council on Aging Director and staff are available by calling 508-759-0600 extension 5226 or 5227 if you need assistance. There are still a few boxes of food available to Bourne Veterans. If any Veterans need food assistance and can use one of the remaining boxes with two weeks of non-perishables, please call at the number above. There are also emergency kits available for anyone who needs one.
 - a. The COA is also taking orders for “drop and go” meals from Cyd’s Kitchen. Orders for need to be made by Friday for delivery the following week.
 - b. If anyone needs Meals on Wheels, please call Elder Services at 508-394-4630.
 - c. The Bourne Food Pantry is no longer able to take direct food donations, but will accept financial assistance. If you would like to help, please call 508-759-3351.
12. The Town Clerk’s Office has updated information regarding both the Special Election and Annual Town Election on the Town’s website and the Town Clerk page. Please visit the link below for the latest information regarding upcoming elections.
13. **(NEW)** We have been asked to help remind all residents of Bourne to fill out this year’s census. Most towns are significantly behind in census responses, which could have a large impact on federal funding as many aspects of this funding is dependent on Census Information. You can use the following link to access the online portal to input your census information.

14. Bourne's somewhat convoluted system in that 02532 would had parts of Wareham in it and 02542 has JBCC information, but includes Bourne, Sandwich, Falmouth and Mashpee. We are now participating in the Zip Code layer of the report. Thanks to Terri Guarino, the Health Agent, she spent hours working with those who put this information together to get to a point where we can now show more accurate Bourne data with footnotes as required. You can find this Heat Map at the following link: <https://www.capecodhealth.org/medical-services/infectious-disease/coronavirus/cases-on-the-cape/>
15. Department of Natural Resources – with boating season upon us, Town Administration, Director of DNR and the Health Agent have issued new guidelines, etc. for marina and boat ramp operations, and other important information for those wishing to enjoy the water. Please visit the DNR page on the town's website for the latest information.
16. Today, Governor Baker announced a new Executive Order requiring a Face Covering when social distancing cannot be assured. This new order takes effect on May 6, 2020 and includes grocery stores, retail stores, pharmacies, etc. as well as when outdoors. More information can be found at the following link: <https://www.mass.gov/news/wear-a-mask-in-public>
17. We continue to focus on providing essential government functions to our residents and businesses daily. We continue to assess our operations daily to ensure the safety of our residents, businesses and employees. All departments continue to update their individual website and Facebook pages with the latest information related to their operations and available services.
