18.01: Rules Governing Practice

(1) Two or more Journeyman electricians shall not associate as partners or otherwise engage in the business or occupation of installing, repairing or maintaining wires, conduits, apparatus, devices, fixtures, or other appliances used for light, heat, power, fire warning or security system purposes without obtaining the necessary Master electrician license.

(2) A licensee shall only engage in the electrical trade or otherwise conduct business in the name printed on his or her license. Any sign, advertisement or other business communication of a Master electrician (Class A) or Journeyman electrician (Class B) or Systems Contractor (Class C) shall indicate the type of license and the license number.

(3) All persons, firms, and corporations engaging in or working at the business of installing wires, conduits, apparatus, devices, fixtures, or other appliances for carrying electricity for light, heat, power, fire warning or security system purposes and employing learners and apprentices shall keep, or cause to be kept, accurate and detailed records of such employment for no less than seven years and shall permit the Board or its agents to inspect and copy such records upon request.
