I. Call to order

Chairwoman Mastrangelo called the Finance Committee meeting to order at 6:45 PM.

II. Note any excused/absent members – James Sullivan

excused - arrived a 7 pm.

III. Reserve Fund Transfer

Assistant Fire Chief Cody requested $29,500 for the Fire Department to replace an air compressor that broke soon after the fall Special Town Meeting. The air compressor is needed to refill air tanks for the firefighters and maintain an air supply system for the tower truck. Bourne has been borrowing one from Barnstable County, who could take it back at any time. Cost analysis showed it would be cheaper to replace the unit than to buy the parts to fix it.

Dr. Towne questioned the Fire Dept budget, to which Town Accountant Ellis replied the budget line was originally $6,000 but is currently funded at $3,500.

Mrs. Flynn commented she had experience with purchasing similar equipment and said the requested price was good for the unit.

Mr. Wheeler asked about the trade-in and recycle cycle value of the old air compressor. Assistant Fire Chief Cody replied he was not sure. Chairwoman Mastrangelo explained that it is up to the Town Administrator to determine whether there is a trade-in, recycle or salvage value for the equipment. However, it is important to appropriate enough money to pay for the equipment to make sure the purchase can be made. If the amount needed for the purchase is underestimated based on trade-in or salvage, there may not be enough money to purchase the item.

Mr. Lavoie requested the Reserve Fund Balance. Chairwoman Mastrangelo responded $300,500.

Ms. Ford moved the Finance Committee approve the Reserve Fund Transfer request of $29,500 to replace the air compressor, Ms. Gratis seconded. The motion passed 10-1, with Robert Wheeler as the opposing vote.

Chairwoman Mastrangelo informed the Finance Committee of new member Aaron Tobey. Aaron Tobey introduced himself, and in turn each person present at the meeting introduced themselves.
Chairwoman Mastrangelo stated the schedule for future Finance Committee budget review meetings is tentative. She then asked Finance Committee members if it would be beneficial in a workshop to review the town's finance policies. Ms. LeGacy expressed interest in the workshop and after discussion, Chairwoman declared the workshop would be scheduled for February 3, 2020.
