1. **Purpose and Scope**
   1.1. This policy will define and describe the cart based curbside sanitation and recycling program provided by the department of Public Works (DPW). It will adequately describe the curbside collection process for town residents, and will provide guidance as to what can and cannot be collected curbside. Residents are reminded that recycling in the town is mandatory (per bylaw 310.01), and compliance is essential to both extend the life of the landfill, as well as preserve the environment.

2. **Procedure Section**
   2.1. **Curbside Collection**
   2.1.1. The curbside collection program offered by the DPW is only offered to residential properties found to have four (4) or fewer units per property as determined by the Town of Bourne Assessor’s office. Condominium complexes and trailer park communities will not be offered curbside collection under this policy.
2.1.2. The Superintendent of Public Works (the Superintendent) shall have final approval of all residential properties covered under this policy. If a residence meets the criteria of section 2.1.1 above, and the Superintendent deems curbside service cannot be provided (based on safety issues, access issues or as otherwise provided) the residents at the address will be offered a free sticker to the Residential Recycling center located at 201 MacArthur Boulevard. All decisions of the Superintendent under this section are final.

2.1.3. Each residence will be issued two carts; one for household recycling and one for household trash. Carts must be placed at the curbside, in a spot easily viewable from the road, but safely out of the travel lane.

2.1.4. Pickup will be based on the schedules developed and issued by the DPW.

2.1.5. Carts shall be placed at the curbside by 7am the day of the pickup, and shall not be placed at the curbside earlier than 5pm the day before. Under no circumstances will the DPW will return to pick up carts not placed at the curbside by the designated hours. Truck mounted technology may be used to ensure confirmation of service at all residential addresses.

2.1.6. All recycling and trash shall be fully contained in the cart, with the lids closed.

2.1.7. Loose bags or trash/recycling in other containers shall not be picked up, and it will the responsibility of the resident to properly dispose of all items not picked up.

2.1.8. The DPW staff will be responsible to move the carts from the curb to the truck to dump, ensuring all waste is removed. Staff will then place the carts neatly back at the curbside out of the path of either roadway traffic or driveways.

2.2. **Cart**

2.2.1. The recycling cart shall have a blue body and blue lid and the trash cart shall have a blue body and black lid.

2.2.2. The carts will remain the property of the Town of Bourne, and shall be issued only to households, not individuals. The carts shall remain with the household upon sale or transfer of property ownership.

2.2.3. The carts shall be labeled barcoded or tagged by the DPW to both assign the carts to a specific residence and to allow for proof of service. At no time will the data generated from this labeling or tagging be used to track the quantities of trash generated by the residence.

2.2.4. The carts issued by the department shall be of a durable plastic, with 10 inch wheels and solid axles for long term durability.

2.2.5. Each cart will have a town label or seal imprinted on it.

2.2.6. Only carts issued by the DPW shall be used for curbside collection.
2.3. **Damaged Carts: Covered Under Warranty**

2.3.1. Residents that notice any damage to a cart must report it immediately to the DPW.

2.3.2. Carts will be covered under warranty for reasonable wear and tear. This will include damage incurred while being emptied by town equipment and staff. DPW staff will be required to notify the main DPW office immediately if any cart shall become broken during regular curbside pickup or if they notice an issue considered normal wear and tear. Carts covered under the warranty shall be replaced as soon as possible by the department and delivered to the household by DPW staff.

2.4. **Damaged Carts: Not Covered By Warranty**

2.4.1. Residents that notice any damage to a cart must report it immediately to the DPW.

2.4.2. Residents shall be responsible for all damage above regular use or if the originally issued carts are lost and not able to be located. Residents must request replacement carts through the DPW department. Residents must pay a replacement fee, which will be set based on the town's actual replacement cost for the cart (currently approximately $50.00). Residents must return damaged carts to the department offices, located at 35 Ernest Valeri Road, before being issued a replacement cart.

2.4.3. Replacement carts will be available at the DPW facility. Residents will be responsible to pick up the replacement unit.

2.4.4. Replacements for stolen carts will only be issued if the resident has filed a police report and is able to provide the department a copy. The fee for replacement carts reported stolen will be waived.

2.4.5. The Superintendent reserves the sole right to waive any fees based on the circumstances of the loss.

2.5. **Items Allowed in Curbside Trash Cart**

2.5.1. All non-hazardous residential waste shall be placed in the trash carts. The items include plastic bags, shredded paper, and other items not allowed in the recycling cart.

2.6. **Items Allowed in Curbside Recycling Cart**

2.6.1. The list of items allowed in the recycling cart may vary as the recycling markets change, however, the list of items allowed are listed below. No trash may be placed in the recycling cart.

- 3.1.1.9. Additional carts or barrels, not provided by the town, being placed at the curbside for pickup
3.2. **Termination of Service**

3.2.1. Violations will be tracked by the DPW office. Any residence that accumulates three (3) or more violations in a rolling thirty (30) day period will have their curbside service terminated and the residence will be reported to the Town of Bourne Board of Health. Notification of termination will be sent by certified mail with the address on file with the Town of Bourne Assessor’s office.

3.2.2. The DPW will be responsible to collect the carts from residences that have been sent letters of termination. The collected carts will be stored for future use.

3.3. **Restoration of Service Process**

3.3.1. Residences that have had their curbside service terminated may file a written notice with the DPW requesting their curbside service be restored. The written notice must contain detailed information acknowledging the violations that occurred, and must provide a statement that acknowledges that future policy violations will not occur, and that the residents fully understand the curbside collections policy.

3.3.2. The Superintendent will make the determination if the resident is acting in good faith, and at the Superintendent's sole discretion, may decide to restore curbside service to the residence with in question. The Superintendent must respond to all requests within thirty (30) days from receipt of the written notice.

3.3.3. Residents will be required to go to the DPW site to retrieve their carts upon restoration of curbside service.

3.4. **Appeals Process**

3.4.1. Any decision by the Superintendent under this section may be appealed in writing to the Town Administrator. The Town Administrator will make the determination if the Superintendent's decision should be overturned, and may decide to restore curbside service to the residence in question. The Town Administrator must respond to all requests within thirty (30) days from receipt of the written notice. All decisions of the Town Administrator are final.

3.4.2. If the Town Administrator denies any appeal, that resident must wait sixty (60) days prior to starting the Restoration of Service Process again as outlined in section 3.3 and 3.4 above.

3.5. **Repeat Violations**

3.5.1. Any resident that is found to have their curbside service terminated more than twice in one year, and with the Town Administrator upholding the decision of the Superintendent upon appeal, will automatically have their curbside collection service suspended. The effective date of the suspension shall commence on the date of the Town Administrator’s
response to the appeal. The Town Administrator, in consultation with the Superintendent, shall determine the length of suspension which shall be at least a minimum of one (1) year and a maximum of three (3) years.

3.5.2. The residents may decide to apply for restoration (following section 3.3 and 3.4 of this policy) of curbside services within thirty days of the end of the suspension period. Service will not be automatically restored, and the resident must request restoration of service.
