INSET A: Taylor's Point Low Pressure Sewer System

This map was created by the Bourne Engineering Department using data courtesy of the ESRI, Town of Bourne and MassGIS. There is no guarantee to the accuracy of content, completeness, or readiness of the information or database displayed herein. It is to be used for reference and planning purposes only and should not be used for survey, regulatory, engineering, conveyance or other site specific purposes. This map was created using the best information possible as of February 2019. Sewer As-Builts are on file in the Engineering Department. Sewer tie-in and grinner pump locations are on file with the Sewer Commissioner's Office.
