## Town of Bourne Health Department

# Memo

**To:** Ken Murphy, Inspector of Buildings  
**From:** Kaitlyn Shea, Acting Health Agent  
**cc:** Zoning Board of Appeals  
**Date:** April 19, 2024  
**Re:** Comments for ZBA Hearing

---

This letter is written as additional comment for the application for review before the Zoning Board of Appeals at the public meeting for 6 Bell Road Extension. The current septic system, permit #27-12, is designed with a 2 bedroom leaching capacity of 220 gallons per day. The proposed architectural in the ZBA packet dated 3/4/2024 indicate no increase in bedroom space and no setback concerns with the current septic system.

There are no Health Department concerns with the work as proposed. Please do not hesitate to reach out with any further questions or concerns.

Sincerely,

*Kaitlyn Shea*

Kaitlyn Shea  
Acting Health Agent
